Budget allotment and expenditure under 'Subscriptions and Donations' in 1108.

329. **Mr. T. A. Ramachandra Ayyar.**—Will the Government be pleased to state the amount budgetted in 1108 for donations and subscriptions and the amount already given away?

Rama Varmha Tampuran.—The allotment under "35 Miscellaneous Subscriptions and Donations" for the year 1108 was Rs. 19,600 and the actual expenditure under the head for the year was Rs. 19,207—5—7.

Mr. T. A. Ramachandra Ayyar.—Here it is said that the budget allotment is only Rs. 19,600. In answer to one of previous questions in Makaram it was said that the expenditure was debited to the head 'Subscriptions and Donations'. To another sub-division the answer was given that the price of timber given to a party was Rs 21,000 and odd rupees. Here the amount is only 19,600. To one party alone 21 thousand and odd rupees was given. May I know how it was adjusted?

Rama Varmha Tampuran.—I answered that question also then. The adjustment may have been in the succeeding year.

Mr. T. A. Ramachandra Ayyar.—Should not that expenditure met be placed on the table of the House?

Rama Varmha Tampuran.—The Member is confusing. The expenditure had to be paid from the head 'Subscrip-

tions and Donations' perhaps in the succeeding year 1109. There will be no opportunity to place it on the table because there is an allotment already under that head.

Mr. K. Ayyappan.—If the expenditure was already made how is it possible to bring it to next year?

Rama Varmha Tampuran.—If there was no sufficient allotment in that year the outstanding balances are generally carried over to the next year.

Mr. T. A. Ramachandra Ayyar.—When was this paid? In what month?

Rama Varmha Tampuran.—I want notice.

Vaccinators.

330. **Mr. T. A. Ramachandra Ayyar.**—Will the Government be pleased to state—

(1) the names of the vaccinators under the Public Health Department in Trippunittura;

(2) whether there was any disturbance in Trippunittura among the Kudumichetties due to indiscriminate vaccination;

(3) whether police aid was required to conduct vaccination;

(4) have vaccinators power to vaccinate forcibly without the consent of the party?

Rama Varmha Tampuran.—(1) Vaccinator N. V. Sethumadhava Menon. Lady vaccinator C. Kallianikutty Amma is also present occasionally to attend to the vaccination of ladies.

(2) Misapprehensions on the part of the Kudumies led to a slight disturbance once.

(3) No.

(4) No.

Mr. T. A. Ramachandra Ayyar.—It is said that it was due to the misapprehension of the Kudumies. How did this disturbance originate?

Rama Varmha Tampuran.—It is a long story. I fear I could not explain it by way of an answer to a question. But I shall just point out this. The Kudumies thought that vaccination would do them harm and they protested. These people tried to persuade them by saying that vaccination would not do them any harm. They again protested and they even went a step beyond. Then they had to call in the aid of the military and the police. Then the whole trouble came about.

Dr. A. R. Menon.—Did the vaccinator vaccinate any body?

Rama Varmha Tampuran.—He vaccinated several Kudumies.
